

SUMMERFIELD TO SPEAK HERE 3 P.M. SATURDAY

Postmaster General Arthur E. Summerfield will be the speaker at a public meeting to be held in Lincoln Square, Saturday afternoon at 3 o'clock.

The meeting is sponsored by the Republican County committees, the Women's Republican councils and the Young Republicans of Adams, York and Cumberland Counties.

In announcing the meeting, Adams County Republican Chairman William I. Shields said in the event of rain the meeting will be held in the Press Room auditorium, next door to the Majestic Theater in the Hotel Gettysburg.

Three Counties Cooperate

The county chairman also announced that Postmaster General Summerfield's address will be carried over radio station WGCT.

Collaborating with the Adams County Republican leaders are the party leaders in York and Cumberland Counties. Theodore Freed, York County chairman, and Oliver Dickey, Cumberland County chairman.

Chairman Shields asks for a full turnout of all county committeemen with the further request that an invitation to hear General Summerfield be extended to everyone in all sections of the county.

"It is expected that large groups will come from York and Cumberland Counties, which with Adams County comprise the 19th Congressional district, and I am sure that Adams County will turn out in full force. It is a public meeting and everyone is invited."

COUNTER CLAIM FILED TO SUIT

The L. P. Kookon Co., New Oxford, faced with an action in assumpsit brought against it by Alfred F. Bohn, Baltimore, today filed a counter claim in Adams County court claiming that not only does it not owe Bohn \$2,152 as he alleges, but that on the contrary Bohn owes the New Oxford concern \$7,470.26.

Bohn had claimed \$2,152 was due him from the Kookon Co. for work he did for the company over the last several years.

The answer and counter claim filed for the New Oxford concern by Attorney Edward B. Bullett holds that the work performed by Bohn, for which he seeks payment, was actually work performed by Bohn on his own to correct errors he had made originally in serving as an architect and draftsman for the Kookon company.

According to the answer, Bohn, a registered architect, did work for the Kookon company over a period from 1953 to 1955. Allegation is made that Bohn worked as an independent contractor. The answer claims that Bohn made errors in architectural drawings provided for the Junior-Senior High School in Wyalusing, Bradford County, and that it cost the Kookon Co. \$4,117.22 to correct the errors; that Bohn made errors in connection with the construction of the Quincy elementary school which cost the Kookon Co. \$1,623.35 to correct and that Bohn made errors in the work connected with construction of the New Baltimore, Franklin County, elementary school which it cost the Kookon company \$1,729.36 to correct. Kookon Co. asks, in its counterclaim, payment by Bohn of the \$7,470 cost for correcting the errors.

142 Salk Vaccine Shots Given Here

One hundred and forty-two persons received inoculations with Salk polio vaccine Tuesday evening at the regular clinic at the Warner Hospital.

Of that number 29 had first shots of the vaccine and 113 second shots. Dr. C. G. Crist, Adams County medical director, said persons who received first inoculations September 4 or earlier are due for second shots next Tuesday.

50 Jordanians Killed In Heavy Attack By Israelites

JERUSALEM (AP)—A punitive raid into Jordan by artillery-backed Israeli infantrymen, the third of its kind this month, set off a seven-hour battle that ended at dawn today with heavy casualties on each side.

Israeli spokesmen said 50 Jordanians were killed in the raid on army and police positions near Husan, six miles southwest of Jerusalem. Israeli acknowledged 5 of the raiders were killed and 19 wounded.

Jordanian army officers in Amman, the Arab capital, declared 100 of the Israelis were killed and the rest forced to retreat in disorder after blowing up a police post and some houses. By their account, 31 Jordanian soldiers, policemen and national guardsmen lost their lives.

Jordan said the Israeli attack was made in brigade strength, meaning perhaps 2,000 or more infantrymen took part in the raid 2 1/2 miles inside the armistice demarcation line. Jordanians had estimated Israeli strength in each of the two previous attacks this month at 1,000 men.

Israel's government grimly labeled the raid as a warning against aggression. Six Israelis had been killed in border incidents since Sunday.

The Israeli army said a Jordan army post as well as the police station was overrun and dynamited. Explosions from the battlefield were heard in Jerusalem through the night.

MICHAUX CHIEF RICHARD DALTON FIRED BY STATE

A veteran of 16 years service with the State Department of Forests and Waters, Richard L. Dalton, of Mont Alto, has been notified by Dr. Maurice Goddard, departmental secretary, that his employment will be terminated effective today.

Dalton, who has served since 1952 as forester of the 80,000-acre Michaux District with headquarters at Caledonia State Park, was told by Secretary Goddard that his employment was being terminated because of his failure to accept transfer to a forestry department assignment at Bloomsburg.

Although no official announcement has been made by the department, Dalton has been informed that he will be succeeded as Michaux forester by William Vandestine, who for the past three months has been assigned to the Michaux office in timber management work. A forestry graduate of the University of Maine, Vandestine was assigned to departmental offices in Harrisburg for approximately six months before coming to the Michaux district.

Succeeded Norris

Appointed to the forestry department staff under a Republican administration 16 years ago, Dalton began work as a per diem employee at the Mont Alto nursery, advancing through the ranks until he succeeded Tom Norris as district forester.

Dalton who said the post offered him at Bloomsburg was one of less importance than the one he now holds, stated he declined transfer because of the "implications" back of the move and because he did not want to leave this area.

Following his assignment to the Mont Alto nursery, Dalton was employed as an assistant research forester, a farm forester and assistant district forester—all in the Michaux district.

Typhoon Drives Two Ships Aground; 140 Are Stranded

NAHA, Okinawa (AP)—Mountainous waves and 130 mile an hour winds drove two ships aground today as typhoon Harriet churned across the East China Sea.

The storm kept rescue vessels from reaching 106 passengers stranded on the Japanese liner Hakusan Maru and 34 crewmen aboard the battered British freighter Bedford Earl.

The typhoon raked Okinawa, then turned northward. The Japanese braced for a heavy blow up their east coast tomorrow. The storm center was 185 miles south southeast of Kagoshima, Japan, today.

Harriet, the season's eighth big typhoon, was the second to strike Okinawa in less than a month. One Okinawa was reported hurt. Only minor property damage was reported in contrast to the more than 20 million dollars damage inflicted by typhoon Emma on this U. S. island base earlier this month.

U. S. Air Force forecasters predicted Harriet's winds would drop to about 105 m.p.h. as it traveled northward.

Huge waves were pounding the

Annual Service At Old Christ Church

The Rev. Randolph Field, recently installed as the new rector of St. John's Episcopal Church, York, will deliver the sermon at the annual service at Old Christ Church, York Springs, Sunday afternoon at 4 o'clock.

Established in 1747, the church was the center of missionary activity by the Church of England that resulted in the present Episcopal parishes in Gettysburg, Carlisle, Chambersburg and York.

Under the leadership of William Snook Jr., restoration of Old Christ Church has advanced in rapid strides during the past year.

The old roof has been restored along with other features of its Colonial architecture. New work projected is the restoration of the original hand-wrought box pews and it is hoped that work will be completed during the coming year.

ENROUTE FOR COAL

The Bedford was enroute from Yokohama to Viet Nam to load coal for Europe.

The 4,300-ton Hakusan Maru, running between Kagoshima, Japan, and Okinawa, was driven aground in shallow water off Amami Oshima Island, some 120 miles north of Okinawa.

The giant seas kept away Japanese coast guard vessels trying to evacuate the Hakusan's passengers in response to a radioed SOS.

A U.S. freighter, the American Mail, also ran aground farther north, at a point about 15 miles south of Nagoya, but its mishap apparently was not caused by the typhoon and the ship was reported in no immediate danger.

ASPERS MINING

have instructed individuals not to engage in employment for the plaintiff and . . . have instructed carriers through their agents and employees not to pick up and deliver materials, supplies and products at and to plaintiff's plant."

The petition also claims the "defendants . . . have trespassed against plaintiff's property"; have caused "individuals to become idle and no longer gainfully employed . . . ; that plaintiff's plant . . . has been hampered . . . to such an extent that there is danger . . . production may have to cease."

Continuing, the petition claims "that by virtue of said unlawful picketing and the imposition under coercion of such unlawful procedure . . . defendants have . . . unlawfully assumed and exercised control of plaintiff's plant, (which) . . . constitutes a seizure or holding of plaintiff's property and facilities."

Two Arrests Last Week
The petition states: "The plaintiff has requested the sheriff of Adams County to furnish protection against interference with the operation of its business, and although the sheriff detailed deputies to plaintiff's plant and such deputies did in fact appear at plaintiff's place of business, such relief is insufficient and does not furnish full and adequate protection."

Last Friday when the sheriff was first called to the scene Harold Baltzley, Aspers R. 1, was arrested by Sheriff Dorsey J. Schultz for obstructing a highway and failing to obey the order of an officer. A hearing on the case is to be held before Justice of the Peace Robert P. Snyder Friday morning at 10 o'clock. Richard Orner, Bendersville, arrested at the same time by state police as being disorderly, paid a \$10 fine and costs before Justice Snyder.

The injunction petition filed with the court today was signed by G. W. Ahl, Carlisle, president of the Summit Mining Corporation.

Mother And Daughter Burned Fighting Fire

Mrs. Gilbert Miller and her daughter, Mildred, York Springs R. 2, suffered burns on their hands when a kerosene stove in a summer kitchen set fire to curtains and sections of the wall close to it Tuesday afternoon.

Mrs. Miller and her daughter were engaged in canning when they discovered the summer kitchen filling with smoke and curtains blazing. Mildred carried a can of kerosene out of the kitchen and she and her mother fought the flames with water and a fire extinguisher until York Springs firemen arrived.

Fire Chief Paul Wolf gave the mother and daughter first aid treatment for their burns.

Discuss Traffic Lights At X-Keys

A meeting to discuss the possible erection and maintenance of traffic lights at the Cross Keys intersection was held Tuesday evening at New Oxford.

Representatives were present from Berwick, Oxford and Hamilton Twp., the districts that would have to erect and maintain the traffic lights if they were installed. No action was taken at the meeting other than discussion of the problem of frequent accidents at the joining of the Lincoln Highway and Carlisle-Hanover Rds. at that point, according to reports from the meeting.

Guardsmen Form Rifle Team Here

Preliminary organization of a .22 caliber rifle team was effected by the local National Guard unit Tuesday evening at the armory on W. Confederate Ave.

The team, which will represent the Howitzer Co. of the 2nd battalion in the 104th Armored Cavalry Regiment shooting competition, will practice weekly, Lt. Donald Doersom, company commander, said.

Selected as members of the team Tuesday evening were Specialists 3/c Denton Denisar, Richard Musselman and Carroll Smith, PFC. Larry Mummert and Pvs. Charles Pittman and Wayne Smith.

Additional members are being sought for the team among the membership of the Howitzer Co. 2nd Lt. Robert E. Harner is in charge of the team.

Littlestown FORTY HOURS AT ST. ALOYSIUS ENDS TUESDAY

Close to 100 members of the Holy Name Society of St. Aloysius Catholic Church and 24 priests participated in the procession of the Blessed Sacrament held in connection with the solemn closing of the Forty Hours devotion on Tuesday evening in the church.

The Rev. Basil Lynch, Franciscan missionary priest from Loretto, who conducted the Forty Hours, spoke concerning the Blessed Sacrament in all of his talks. Fr. Lynch said, "The Blessed Sacrament holds a unique position in the life of every member of the church. Our Lord instituted this sacrament for three reasons based upon the triple character of the sacrament itself; as a memorial, as a sacrifice and as food for the soul, to overcome three evils of man, their forgetfulness of God, concupiscence, and the death of the soul."

Closing Service
The closing service consisted of rosary, led by the Rev. Andrew Marinak, assistant pastor at St. Vincent's, Hanover; "Veni Creator," senior choir; the sermon; "Panis Angelicus," choir; chanting of the Litany of the Saints by the priests with the Rev. Richard F. Hartnett, assistant pastor at Annunciation of the Blessed Virgin Mary, McSherrystown; procession of the Blessed Sacrament; Benediction and the closing traditional hymn "Holy God, We Praise Thy Name." The Rev. Francis Heitshe, Corpus Christi Church, Chambersburg, was celebrant; the Rev. Alexis Arnold, assistant pastor at St. Francis Xavier, Gettysburg, was deacon and the Rev. Edward J. Gerrity, pastor of Our Lady of the Visitation Church, Shippensburg, was sub-deacon. "The Rev. John P. Bolen, Sacred Heart Church, Conewago, was master of ceremonies.

Sentence Railroader On Fraud Charge

Sylvester G. Chase, 41, of Harrisburg, pleaded guilty in Federal Court at Lewisburg, Monday of fraudulently claiming railroad unemployment insurance benefits under federal law.

Chase was placed on five years probation and ordered to make full restitution in the amount of \$652.50 to the Railroad Retirement Board by Judge F. V. Pollmer of the United States District Court for the Middle District of Pennsylvania.

Board representative John M. Conroy explained Chase had claimed unemployment benefits for days he had been employed and that any person fraudulently claiming benefits under the U. S. Railroad Unemployment Insurance Act is subject to one year in jail or a fine of \$10,000, or both.

Hanover Reporter Injured In Crash

James D. Moore, Hanover, was injured when the station wagon he was operating overturned after hitting a small tree on a township road near New Chester shortly after 3:30 p.m. Sunday. He was removed to the Hanover Hospital by a motorist and admitted for treatment of several cracked ribs, brush burns and bruises.

Moore, a reporter for The Evening Sun, of Hanover, had been visiting in the New Chester area and was en route to Hanover when he apparently "blacked out." The station wagon, owned by the publishing firm, veered to the left side of the road, struck a cedar tree and rolled over on its roof on the road. The vehicle was extensively damaged.

Split baking powder biscuits and slather cut surfaces with butter; sandwich halves together again with small pieces of fried ham as filling. Serve with chicken — fried or creamed.

chairman, Thomas C. McSherry, Dr. Donald B. Coover, Carl P. Hermann, Charles E. Ritter and Roy D. Knouse will be in charge of the program when the Rotarians meet next Tuesday at 6:15 p.m.

A corn bake and wiener roast were featured at the September meeting of the Littlestown Homemakers Club on Monday evening at the home of Mrs. Irvin Kindig, near town. Following the lunch, John Naugle, assistant county agent, was present to explain flower arrangement. Mr. Naugle also distributed circulars on this subject. The club will meet again on Monday, October 22, 7:30 p.m., at the home of Mrs. Walter F. Crouse, near town.

The Rev. Charles Reinbrecht Sr., returned missionary from Kiochow, China, was the guest speaker at a service held for the public in St. Luke's Union Church, near White Hall, on Friday evening. The service was sponsored by the Women's Missionary Society. The opening devotions include a congregational hymn; Scripture, the Rev. William Ellsworth Jr., pastor of the Reformed congregation, who also led the responsive reading. The Rev. Mr. Reinbrecht, who was interned by the Japanese during World War II, told of his missionary work, and related facts of interest about Hong Kong. He also showed colored slide pictures taken in Hong Kong.

A brief meeting of the Missionary Society followed the service. Mrs. Guy McCabe, president, presided. It was announced that the third annual convention of missionary groups will be held on Tuesday, October 23, in St. John's Lutheran Church, Boiling Springs. The theme of the convention will be "Take My Life, Lord," there will be registration at 9 a.m., with morning, afternoon and evening sessions. The fall workshop of the Nevins Regional Guild will be held on Wednesday, Oct. 17, with sessions at 9:30 a.m. and 1:30 p.m., in St. David's Reformed Church, Hanover, R. D., and the theme is "The Church, Our Household of Faith." The date for the next regular meeting of the Missionary

Society will be announced later. There will be a very important meeting of the Official Board of Cenearny Methodist Church, at the church, 7:30 p.m., Thursday. All members of the Board are urged to present.

Special two weeks meetings are being held in the Walnut Grove Brethren Church, near Kump's Station, each evening at 7:45 p.m. The public is invited to attend. There will be an all day service on Sunday, Oct. 7, including Holy Communion at 7:45 p.m.

Thursday at 7:45 p.m., praise and prayer service will be held in the Assembly of God Church. Miss Dorothy Jones, daughter of Mr. and Mrs. B. M. Jones, N. Queen St., has begun her junior Valley College, Annville.

"Madam Butterfly" To Play In Hershey

"Madam Butterfly," one of the best-loved of Italian operas, will be presented at the Hershey Community Theater by the Fujiwara Opera Company from Japan on Saturday night, October 27, at 8:30 p.m., DST. Included in the Fujiwara group are a company of forty featuring singing stars of the Orient with symphony orchestra. Several years ago the Fujiwara Opera Company appeared in America for a nationwide tour. They closed the tour in New York City. At that time the New York Times called it "Colorful! Thrilling! Unforgettable! A rare experience in the theater." The New Yorker Magazine said it was, "Unusually moving, with dramatic excellence." Alfred Frankenstein, writing in the San Francisco Chronicle, states, "One of the most beautiful, moving and dramatically effective BUTTERFLIES it has ever been my pleasure to see." The Los Angeles Daily News—"The Japanese singers somehow put a final seal of righteousness upon a work that has apparently needed just this touch of the genuine to complete its power of illusion."

Mail orders will be accepted with the box office opening for over-the-counter sale on Monday, October 8, at 12:30 p.m.

Sewage System Called "Public Menace" By Petition To Pinchot: With petitions setting forth that Gettysburg's sewage disposal plan constitutes "a public menace" and that unless existing conditions are remedied "the property, lives and health of the citizens will be greatly damaged," a committee of local residents sought and were promised the support of Governor Pinchot in Harrisburg Wednesday afternoon.

After receiving a copy of the petition, which was signed by 159 residents of Gettysburg, the governor assured the committee he would see that immediate relief is forthcoming. He urged the committee to return if no tangible relief is forthcoming at once.

Mr. Pinchot then notified Dr. Theodore B. Appel, state secretary of health, that the committee would wait upon him and present its petition to the head of the health department. A copy of the petition was left with Dr. Appel.

In the local delegation were Colonel E. E. Davis, Luther I. Sachs, J. Arthur Phil, C. C. Trostle, Samuel Weiser, G. R. Thompson, Earl Deatrick, Dr. G. C. Bassett, George A. Sachs, R. T. Tipton and Emory C. Williams.

A letter was left with the governor from Dr. J. McCrea Dickson, who planned to accompany the committee but was presented at the last minute.

Gettysburg Boys' Band Gives Concert: A creditable concert was given by the Gettysburg Boys' band before a large and appreciative audience in center square Tuesday evening. The solo and vocal selections were particularly well received. Professor H. C. Stenger, of Hanover, wielded the baton for the concert.

Eckenrode Is Elected Head of Legion Here: William B. Eckenrode was elected commander of the Albert Lentz post of the American Legion at the annual election held Monday night at the post home. The other officers elected are:

Norman Morrison, first vice commander; Robert Rex, Taneytown, second vice commander; J. P. Butt, finance officer; Earl Hartzell, Fairfield, adjutant; William Allison, Ardenstville, historian; Bernard Partridge, chaplain; and John Lauver, sergeant-at-arms.

Mr. Eckenrode, who has been active in Legion affairs for many years, succeeds Dorsey Rebert as commander.

Begin Picking County Apples: Apple picking has begun in this section of the state; orchardists state that picking will be in full swing inside of a week or so. The market for apples is dull. Grimes Golden are selling for 50 cents to \$1 a bushel while Jonathans are bringing 75 cents to \$1 a bushel.

Local Men At Legion Meet: Four Legionnaires from the Albert J. Lentz American Legion post of Gettysburg attended the national convention of the American Legion at Detroit the past week.

William B. Eckenrode headed the party. The others in the party were Harry Hartzell, Fairfield, and Norman Tate and Fred Leade, both of Gettysburg.

Mrs. D. J. Forney Ill In Hospital: Mr. and Mrs. John Crawford of Ohio have assumed active management of Graeffenburg inn west of here on Monday. The same day Mrs. David Forney was admitted to the Warner hospital here and on Friday submitted to a serious operation. Mrs. Forney leased Graeffenburg inn in February 1950.

Parents Learn Plans For Band Of Youngsters: Considerable interest was shown by more than 200 parents of Gettysburg school children who attended a meeting at the high school Friday evening to learn plans for the organization of a junior school band here.

As a result of the meeting about 30 parents signed for the trial plan, and indications were that between 50 and 75 children would be signed for the proposed musical organization.

Today's Talk

SO MANY BLESSINGS
It is a mystery why so many blessings should come my way. All my life I have had them intermingled with trouble, sorrow, illness, and quite a number of defeats — yet the blessings have kept coming. Indeed, I am grateful to the Heavenly Father for such notice.

I believe it is the way we appraise our blessings that makes them so significant. The same blessings that come to me come to millions of others, but many are blind to them. I never knew a sunset to be especially dedicated to me, yet every time I thrill over one there is that big blessing smiling from the lap of Heaven at me.

On the whole, I have had a happy life, largely because it has given me such joy to add a little hope, comfort and faith to others through these daily Talks. The richest of all experiences have been those that have come to me in the form of kindly letters and personal visits from readers all over the continent. I say: So many blessings! How can I repay them? I have had health far better than the average, and long stretches of it.

I have lived a varied life, and to this I attribute my happiness. For the more useful interests one has, there is less time in which to complain or find fault. I have had several lifetime hobbies, outside my regular business interests, and these have kept sweeping out my mind so well that I have been happier and more efficient in my regular work.

There are many to whom the blessings that others enjoy do not come. Often they are the braver and more inspiring because of this fact. Many have blessings that they never seem to know about, or to recognize. You cannot buy such blessings as sound sleep, peace of mind, and the ability to appreciate and love.

Tomorrow Mr. Adams will talk on the subject: "Just Believe" Protected, 1956, by the George Matthew Adams Service

KIRK MEETING
"From Scotland when I landed here my mother sent a note: 'Be sure you don't forget your kirk,' with teardrops she wrote. And so on Wednesday night I went to spend an hour in prayer. And met the little minister who saw me kneeling there."

"I well recall that Wednesday night of fifty years ago; The parson's secretary I was very pleased to know. No one could tell what would occur when to that kirk I came. But in a month or two or more I changed that lady's name."

"I would not have you say I boast, but I was quite a chap. I took the pencil from her hand, the notebook from her lap. Instead of sermons for the kirk that lady might have penned. She's sewn the buttons on my shirts and had my socks to mend."

SEES UNIVERSAL TRAVEL CARDS

ATLANTIC CITY, N.J. (AP)—An official of the American Hotel Assn. says in a short period of time travelers will carry only a universal travel card instead of a pack of different credit cards.

Seymour Weiss, the association's travel card committee chairman, Monday told some 150 hotelmen attending the Eastern Hotel Conference here that universal travel cards are getting more and more popular among the public and hotels.

He said some 135,000 universal travel cards are in use at present and about 6,000 hotels throughout the country have agreed to honor them.

He added that travelers purchasing universal cards must be "substantial citizens with unquestionable credit."

The cards are recognized by hotels, restaurants and other establishments.

Hotelmen from New Jersey, New York and Pennsylvania are attending the conference.

CLARK PLEASED WITH SUPPORT OF REPUBLICANS

PHILADELPHIA (AP)—Joseph S. Clark said Tuesday that he was heartened by support he had found among Republicans in his campaign for the U. S. Senate seat now held by Sen. James Duff (R-Pa.).

The Democratic nominee, former mayor of this city, spoke briefly at ceremonies marking the opening of his campaign headquarters in the fashionable Chestnut Hill section of Philadelphia.

Speaking in his home voting district, Clark said it "was heartening to find so many friends and neighbors—many of them Republicans—willing to sponsor and work" for him.

"Here in this strongly Republican 22nd Ward, I am grateful for the support that in 1949 and 1951 brought out majorities for my colleagues and me on the Democratic ticket."

Had Ousted GOP
Clark, and Richardson Dilworth, the current mayor, headed a team of Democrats which succeeded in sweeping the Philadelphia municipal elections after some 70 years of GOP control.

In his speech Tuesday, Clark made no direct reference to Duff, who is seeking a second term, but at one point, he remarked:

"There is a strong feeling (in his home area) that crosses party lines. . . . It is more concerned with what a man stands for than the party to which he belongs. . . . I believe that my party is better equipped to lead our country in the next four years than are our Republican friends. I am glad that you at least agree it is time to change Pennsylvania's representation in the Senate of the United States."

Address Millers
Monday night Clark spoke in Reading to a dinner meeting of the Pennsylvania Millers and Feed Dealers Assn. convention.

He charged once again that Duff had missed 37 per cent of roll call votes in five years in the Senate and that his GOP opponent had failed to introduce any constructive legislation for Pennsylvania in his entire term in the upper house.

He has been hammering away at this theme throughout his campaign.

He told the convention delegates that he was "convinced that nothing was being done for us, for the people of Pennsylvania."

PRISONERS HELP TO FIGHT FIRES

SAN BERNARDINO, Calif. (AP)—Fifteen hundred fire fighters, including state prisoners, slugged away Tuesday at the timber inferno in the San Bernardino Mountains for a fifth day.

A five-mile-long horseshoe of flame on the northeast corner of the 10,500-acre burn was the critical sector.

Mile-high Lake Arrowhead, playground for millionaires, movie stars and average citizens, was described by a forestry official as out of danger — unless the winds change.

But two other resorts were evacuated as flames moved within a mile and a half of them. Some 200 persons fled the resorts on the advice of forestry officials.

The blaze Monday destroyed a storage building, a workshop, two houses, two house trailers, two trucks and four trailers at a Boy Scout camp three miles east of Lake Arrowhead. The camp had been evacuated over the weekend.

DUFF DENIES POOR SENATE DUTY RECORD

SCRANTON, Pa. (AP)—Sen. James H. Duff (R-Pa.) said Monday night he voted in 82 per cent of the roll call ballots in the Senate during the administration of President Eisenhower.

At a press conference following a meeting of Republican women, Duff produced what he termed a "newly compiled report" of his attendance and that of nine prominent Democrats during the same 3½-year period.

He said the records of the Democratic members ranged from 60 per cent for Democratic vice presidential candidates Estes Kefauver, of Tennessee, to 81 per cent for Sen. Russell (Ga.) and Sen. Fulbright (Ark.).

Further Evidence
As further evidence of his fidelity to duty, Duff stated that as a member of a Senate committee "charged with making a complete analysis of Communist activities in the U. S." he attended all but one of its 66 meetings, and that, on that single occasion, he absented himself in order to vote in a Pennsylvania election.

Joseph S. Clark, former mayor of Philadelphia, who is seeking Duff's seat in the Senate, has charged repeatedly that Duff had

TESTIFIES HE MADE KEYS FOR BRINK'S LOCKS

BOSTON (AP)—Locksmith Jacob Dana has testified in the Brink's trial that he made five keys in the fall of 1949 for Anthony Pino, 49, one of eight men on trial for the \$1,219,000 Brink's robbery.

Dana testified for the prosecution on Monday that Pino brought the first cylinder to his Dorchester district shop during the latter part of cober or early November.

He said that Pino subsequently brought four other locks at intervals ranging from "a week or so up to two weeks" for keys to be made at \$1 each.

The gray-haired locksmith was put on the stand to corroborate the testimony of Joseph J. (Specs) Keefe, 48, who had pleaded guilty to the robbery of Jan. 17, 1950, and testified for the state.

Made Careful Studies
O'Keefe had told the Superior Court jury that he, the eight defendant and two others who have since died broke into the Brink's headquarters more than a score times to learn the layout of the

a poor attendance record during the six-year term now drawing to a close.

Duff labelled these "empty charges" at Monday night's press conference.

The conference followed soon after Duff's return from Washington where he presented to the U. S. Justice Department his contention that Pennsylvania Democrats had pressured state employees into buying tickets for a \$50 a plate dinner in Harrisburg Sept. 13.

In answer to a question, he said he didn't know if the Justice Department investigation (to determine if federal violations were involved) would be completed before the November elections.

Maglie Shuts Out Phils With No-Hitter As Braves Snuff Redleg Hopes On Spahn Win

By ED WILKS

Comebacks? Baseball has had 'em. How about Ted Williams, returned from the wars? Or a "washed up" Johnny Mize tagging home runs for the 1950 Yankees? Or Roy Campanella, most valuable again with a healthy thumb last season?

Now it's Sal Maglie—the pappy guy the Giants had enough of; the old man Cleveland couldn't squeeze into its second-place pitching staff.

It was Sal, the onetime Dodger killer, who beat Milwaukee for Brooklyn's overnight share of the National League lead two weeks ago. And last night, it was Maglie again, this time using his curve and control to gain his first no-hit, no-run game with a 5-0 masterpiece against Philadelphia that kept the Dodgers within three percentage points of the first-place Braves.

20th For Spahn
At 39, Maglie is the oldest National League ever to pitch a no-hitter—and ironically, it overshadowed a splendid six-single job by Warren Spahn, another comeback guy, that gave Milwaukee a 7-1 victory over Cincinnati and all but shut the door on Redleg pennant hopes. It was the 20th victory for the 35-year-old southpaw, prematurely tagged a has-been last season.

Even if the Redlegs sweep their remaining two, at Chicago Saturday and Sunday, the Cinchs are dead should the Braves win even one of their remaining three, beginning Friday night at St. Louis. Two more victories by Brooklyn, facing Philadelphia again today with a chance to deadlock the Braves before a windup three-game series with Pittsburgh this weekend at Ebbets Field, would chill Cincinnati.

St. Louis clinched fourth place by defeating Chicago 5-1 in a doubleheader opener, then lost to the Cubs 6-2 in the nightcap, cut to 7½ innings by darkness. New York's Giants scored a 10-0 victory over the Pirates.

Yanks Belt Orioles
In the American, the champion New York Yankees belted Baltimore 11-6; Cleveland beat Kansas City 4-1 in 10 innings for Early Wynn's 20th; Detroit spilled Chicago 5-3; and Boston whacked Washington 10-4.

Maglie, gaining his third shutout with his 12th victory, allowed but three base runners—walking two and hitting Richie Ashburn with a two-out, 1-2 pitch in the ninth. He retired the first eight men he faced, gave up a walk to loser Jack Meyer, then knocked off 12 in a row.

The Dodgers, held to just four hits by three pitchers, scored three runs in the second on two hits—one a two-run homer by Roy Campanella, his 19th. Stan Lopata's error produced two unearned runs in the third.

15 Hits For Braves
Spahn, missing a shutout on three singles in the third, doubled home two runs for a 3-0 lead that chased Larry Jansen in the second inning. The Braves had 15 hits off six pitchers.

Four unearned runs and a triple play won for the Cardinals as bonus boy Lindy McDaniel went the distance for the first time. But bonus kid Don Kaiser then stopped them in the nightcap.

The Giants had 16 hits, four of them homers, as Johnny Antonelli won his 19th Willie Mays, hitting his 36th homer, and Red Schoendienst also with a homer, had four hits each.

24th For Ted
Bill Skowron drove in five runs and Bob Cerv four for the Yankees as Tom Sturdivant won his 16th on a five-run, two-out rally in the seventh.

Rocky Colavito's 21st homer, a three-run poke, broke a tie for the Indians as Wynn joined teammate Bob Lemon in the 20-victory circle on a four-hitter.

Earl Torgeson and Charlie Maxwell hit back-to-back home runs to break up a 3-all tie for the Tigers in the eighth.

MAGLIE FACES 29 BATTERS IN NO-HIT VICTORY

BROOKLYN (AP)—Sal (The Barber) Maglie has done it again. The ancient mound marauder pitched a 5-0 no-hit victory against Philadelphia last night to keep Brooklyn on the heels of the Milwaukee Braves and make it possible for the Dodgers to climb into a first-place tie today.

Sal was at his magnificent best as he faced 29 batters, permitting only three to reach base—hitting one batter and walking two. A double play followed one of the walks.

Only once did the Phillies come close to connecting safely. That was in the second inning when Willie Jones drove a hard grounder up the middle of the diamond. Shortstop Dee Weese, playing in his 2,000th major league game, darted to his left for a fine stop and throw to retire the batter.

Didn't Bother Him
Maglie was inclined to minimize what may have been the best pitched game of his brilliant career but it couldn't have come at a better time. The chilled crowd of 15,204 stood up and cheered his every pitch in the ninth inning. When he finally disposed of Marv Blaylock for the final out, the delirious fans, who so often jeered and hooted him when he was on the field, all seeking to hug their new idol.

"Sure, I knew I was working on a no-hitter," Maglie told reporters. "I've been around long enough to know what's going on. No, it didn't bother me one bit."

It was Maglie's 12th victory in 17 decisions since he joined the Dodgers in mid-May. Ten of his victories have come in his last 12 starts. His only defeats during that period were by 3-2 and 2-1 scores.

Kenneth Wolfe, 18, Signed By Bosox

ALLEN TOWN, Pa. (AP)—The Boston Red Sox have signed 18-year-old Kenneth Wolfe as a catcher and assigned him to the Red Sox farm at Oklahoma City of the Texas League for the 1957 season.

Wolfe played on the junior baseball team of the Herbert Paul Lentz Post here, which recently won the Pennsylvania American Legion championship.

Red Sox scout Tommy Thomas said Wolfe was given a bonus for signing, but would not classify him as a bonus player because the amount was under the \$4,000 major league limit. Wolfe was reported to have been sought by several major league clubs.

SOPHS, JUNIOR PLEASE BULLET GRID MENTOR

Although Gettysburg lost its opening football game to a powerful Lehigh University team last Saturday, the performance of several Bulle sophomores and one junior gave Coach John Yovicsin hope for the future.

The sophomores who turned in commendable performances were Marty Hoffner, a 6-2, 210-pound tackle from Hershey; Dick Rowan, a guard from Harrisburg; halfback Jim Flood, Abington, and quarterback Dick Stravolo, Chambersburg. Junior end Stan Musser, Gettysburg, was another non-letterman who pleased the coach.

Flood, a 5-9, 170-pounder, scored Gettysburg's only touchdown on a 16-yard sprint around left end. He took a handoff from Stravolo that completely fooled the Lehigh defenders. Stravolo, playing approximately 20 minutes, gave evidence that he could become a passer in the tradition of such past Gettysburg greats as Frank Gagliardi, Berky Ward and Ross Sachs.

Gettysburg is a sophomore-dominated team this season, with 18 on the roster, and a successful season will depend on their performance. Heffner is a starter at right tackle, while Stravolo, Rowan and Flood are expected to win letters. Musser, although rather light at 175 pounds, turned in a good defensive job and makes the Bullet end picture brighter. He was an all-state flanker for Gettysburg Junior High School.

Orders 2nd Trial For Union Leaders

SCRANTON, Pa. (AP)—Judge T. Linus Hoban yesterday denied a defense plea for delay and ruled that six Scranton labor leaders, charged with conspiracy and malicious mischief, must go to trial a second time on Monday as scheduled.

The defendants are accused of bombing a house being built by non-union labor.

The request for a continuance was made by Thomas D. McBride, of Philadelphia, chief defense counsel, who said that he had court commitments in Philadelphia next week.

The defendants are Joseph F. Bartell, Philip F. Brady and Anthony Bonacuse, president, vice president and trustee of the Scranton Building Trades Council, and John A. Durkin, Joseph J. McHugh and Robert K. Malloy, general agents of Local 229, General Drivers and Helpers Union.

The first trial jury disagreed.

FIND BODY OF BONUS CATCHER

BALTIMORE (AP)—Funeral services for Tommy Gastall, 23-year-old bonus catcher for the Baltimore Orioles who was killed in a plane crash, will be held Saturday morning at St. Patrick's Catholic Church in Fall River, Mass.

Gastall's body was recovered from the Chesapeake Bay off suburban Riviera Beach by two members of the town's fire department yesterday.

It was identified by Paul Welsh, public relations director of the Orioles, and two men who accompanied him. Identification was delayed because the body was not immediately recognizable, although it bore a Boston University ring inscribed with "TEG."

Herbert Groves, who lives close by the water at Riviera Beach, sighted Gastall's body about 50 feet from the shore.

NOTRE DAME AND MARYLAND DROP FROM TOP TEN

By THE ASSOCIATED PRESS

The opinions of football prognosticators, like those of ardent alumni, often are influenced sharply by victories and defeats.

Thus the first Associated Press football ranking poll since the regular season began shows a couple of rather remarkable changes. Two highly rated teams, Notre Dame and Maryland, are missing from the first 10 after opening game defeats by Southern Methodist and Syracuse, who gained places in the top group.

Two Others Slip

Two others, one a winner and one which hasn't yet played its opening game, dropped into the second division as enthusiasm for a couple of winners was reflected in the ballots of sports writers and broadcasters.

The experts, 150 strong, stuck by their preseason poll prediction by listing Oklahoma's Sooners as the No. 1 team. Oklahoma doesn't open its season until next Saturday, when it plays North Carolina.

Oklahoma was listed first on 91 of 150 ballots and polled a total of 1,150 points on the usual basis of 10 for each first-place vote, 9 for second, etc.

Georgia Tech Second

Georgia Tech, winner over Kentucky, moved ahead of still-idle Michigan State into second place. Notre Dame, third in the preseason rankings, wound up down in 14th place with only 142 points after its 19-13 defeat by Southern Methodist. The Mustangs, not even listed among the first 20 in preseason picks, took fifth place behind Texas Christian, an impressive winner over Kansas.

The next five are Southern California, Syracuse, Ohio State, Mississippi and Pittsburgh.

EASTERN GRID CONFERENCE IS HELD UNLIKELY

PHILADELPHIA (AP)—The prospects of forming a football conference of independent Eastern colleges appear dim according to Penn State University Athletic Director Ernest McCoy.

McCoy told the Philadelphia Football Writers Assn. yesterday that such a conference would undoubtedly enhance collegiate football in the East, but, he added, the problems arising from scheduling and forming a uniform code on such matters as eligibility, aid to athletes and scholastic entrance requirements form an almost insurmountable obstacle.

McCoy vigorously defended the Eastern brand of football, called upon writers and radio and TV sportscasters to speak up against what he termed "this insidious whispering campaign that Eastern football is on the skids."

"Power Is Here"
"Football originated in this section of the country. This is where the power was and still is. But we have to sell it," he added.

McCoy agreed that an Eastern Conference would be a great help in publicizing the Eastern schools but, he said, its formation was not likely unless the schools were "pushed into" a conference in their search of opponents outside the Ivy League's new round robin system and similar setups.

He mentioned Pitt, Syracuse, Army and Navy along with his own school as potentials for such an arrangement, adding that they would constitute one of the toughest conferences in the nation—if they ever got together.

BOB BAKER IS FAVORED TO BEAT JACKSON

PITTSBURGH (AP)—Bob Baker, confident he's licked his weight problem, is an 8-5 favorite to do the same tonight to Tommy (Hurricane) Jackson in a 12-round outdoor fight that probably means a crack at the heavyweight title for the winner.

The 29-year-old Pittsburgh resident has long been on the fringe of the division's outstanding fighters but overweight—and brittle hands—have kept him from reaching his peak.

With time starting to run out for him, Baker and his handlers are confident that an arduous training routine which has cut his weight to a trim 210-pounds will give him all that's needed to defeat the ever-pressing Hurricane from Far Rockaway, N.Y., in this return bout.

The unpredictable Jackson won their first encounter with a 10-round split decision in New York last February. However, Baker's handlers feel his better conditioning (he weighed 215 for the last eight) and the longer distance will aid him in the scrap with the lighter Jackson. Baker will have a 16-pound weight edge over Jackson, who was expected in the ring at about 194 pounds.

Baker has a 45-6-1 record with 19 knockouts to his credit. Jackson is 27-5-1 with 12 kayos.

Tonight's bout will be broadcast, ABC-TV and radio, 9 p.m., EST, with Pittsburgh area TV screens blacked out from Forbes Field. In event of a heavy rainstorm the bout will be postponed until tomorrow night.

Gettysburg Junior High Will Meet Delone Eleven On Local Field Thursday Night At 7

Gettysburg Junior High School's football squad makes its debut here Thursday evening at 7 o'clock when it tangles with Delone Catholic of McSherrystown. The game will be the only home affair played under the lights.

Coaches Ray Ellis and Ned Brownlee, in announcing the probable starting lineup, reveal there will be three lettermen in starting position. They include Warren Rudisill, right guard; James Townsend, right halfback, and Nicky Nichols, quarterback.

Probable Starters
The complete starting lineup will include the following: Ends, Don Goldsmith and Don Waddell; tackles, Bill Scott and Bob Grosholtz; guards, Warren and Rodney Rudisill; center, Ed Simpson; quarterback, Nichols; halfbacks, Gordon Richardson and Townsend, and fullback, Richard Cluck. Waddell and Townsend are eighth graders and all others are ninth graders.

Others expected to see action are: Ends, Terry Hise, Ronald Doaks, Ronald Collingsworth; tackles, Dennis Little, Bill Swope, Kenny Hull; guards, James Snead; center, Robert Oyle; quarterbacks, Jim Bricker, Daniel March; halfbacks, Bob Cullison, Ed Gastley, Ronald Frew, Eugene Miller, Paul Duane; fullbacks, Robert Dean and Dale Smith. Doaks is the only seventh grader.

Increasing numbers of candidates have been reporting for the squad and many are without complete uniforms. At present the squad includes 16 seventh graders; 22 eighth graders, and 19 ninth graders.

Delone's squad, composed entirely of ninth graders, is being coached by John Russ.

Two complete squads expected to see action have been named and include the following:

First Team
Ends, Charles McClintock and Joe Gastley; tackles, Don Staub and Harry Welles; guards, Dick Hertz and Bob Long; center, Bob O'Brien; quarterback, Dick Fuhrman; halfbacks, Pat Shaeffer and

Ben Bair.

Second Team
Ends, Pat O'Brien and Fred Smith; tackles, Dave Smith and Tom Jacoby; guards, Charles Topper and Tom Groff; center, Joe Sanders; quarterback, Dave Topper; halfbacks, Don Becker and Glenn Livelsberger, and fullback, Mike Gallagher.

In addition to the game here Thursday evening the Squires have scheduled the following contests: October 4, Littlestown, home; October 25, Westminster, away; November 1, Scotland, away; November 8, Camp Curtin, home.

UNION RAIDING CALLED TREND

PHILADELPHIA (AP)—Raiding of membership by rival union's has become a "trend," says the head of the Printing Pressmen's Union.

Thomas E. Dunwoody, union president, told the organization's 36th convention on Monday that raiding is "dangerous to us." He added:

"But we intend to go ahead. We seek to grow and we intend to grow."

The union has taken in more than 12,000 new members in the past four years, bringing its total membership to 104,000.

Dunwoody also said that some issues have been brought to arbitration which had no business being arbitrated. Despite abuses, he said, arbitration is the best way of settling labor-management differences. The union has the nation's oldest international union arbitration system, now in its 54th year.

BABY IS SUFFOCATED

FREEHOLD, N.J. (AP)—A sleeping mother rolled over in bed Tuesday and apparently suffocated her 4-week-old daughter, police said. Freehold state police said Mrs. Georgia May Washington, 17, of R. 4, a migrant farm worker, woke up Tuesday morning to find the baby, Juanita, dead beside her. 5 U. S. CAPTAINS WILL TRAIN TO BE SUEZ PILOTS

CAIRO (AP)—Five U. S. ship captains arrived today to train alongside mariners from Russia and other nations as pilots on the Suez Canal.

They said they agreed with the Egyptian government to take six weeks training and then decide if they want to stay on. Egypt paid their travel expenses.

"We have not signed any contracts," said Gregory Hatch of San Francisco. "We came to wait

and see how it is going to turn out."

First Since Sept. 14

They are the first Americans to come here for pilot training since foreign pilots employed by the old Suez Canal Co. left their jobs Sept. 14. Egypt advertised throughout the world for replacements. Fifteen Russian pilots and a mixture from other countries, including Communist Poland and East Germany, are already in training at Port Said.

Meanwhile, Egyptian and Greek pilots who stayed on the job after the walkout of other foreigners have kept ships moving through the tricky, 103-mile waterway.

Hatch was accompanied by Walter Equils, New Kensington, Pa.; Alec Langtry, Staten Island, N.Y.; Nico Hagens, New York

City; and Elmo Chester Holland, Newport Beach, Calif.

7 Get Passports

Ten Americans have applied for passports to take Suez pilot jobs. The State Department said last week it had granted passports to seven.

Egypt's success in keeping the canal open brought a cancellation today of recent increases in shipping charges between Europe and the Far East. British and European shipping lines, which imposed a 15 per cent surcharge on cargoes through the Suez after the pilots' walkout, said their ships

had been getting through without difficulty.

NO CRINOLINES

KANSAS CITY, Kan. (AP)—The girls at Ward High School have agreed not to wear crinolines under their skirts. School authorities asked them not to. They said the bouffancy caused congestion in the corridors. You couldn't get from one class to the next in the allotted three minutes.

You're seeing why you'll ride sweet and low in the '57 FORD

On Wednesday, Oct. 3rd, you can see the new '57 Ford in all its glory. But (above) we're giving you a sneak preview of its "hidden beauty." You see, the new Ford was built from the inside out . . . just as a beautiful piece of architecture starts with its foundation. The new "Inner Ford" is the secret of why Ford is the longest, lowest, biggest, most spectacular Ford ever!

For the first time, you get a full-cradle frame that sweeps out as it dips down between the wheels. This helps give Ford a lower silhouette for 1957 . . . as much as 4 inches lower. You get full head room and leg room—actually you get more inside room, easier

entry than ever. Rear springs are mounted outside the frame so the rear seats are lower. The new drive shaft is tapered and hooks up with the differential lower down than ever before. This lets you ride sweet and low with full road clearance.

But this is just the beginning of the new Ford story! Wait till you try its exciting new sizzle! Wait till you see Ford's wonderful new bodies that ride sweet and low with Ford's remarkable new frames. They not only have quality in every built-to-last part and feature . . . but they say "quality" in every clean-lined, sculptured line. Your Ford Dealer will have something really new to show you for '57.

School Bells To Ring For Adults Next Month In Upper Adams County

School bells rang this month for the children. Next month the adults of the Upper Adams area will be going back to school.

For approximately 30 adults the school will be a course in oil painting. For others the training will be in auto driving.

And for still another group of Upper Adams adults, school is in session, on a part-time, evening basis, all year around.

This evening a meeting will be held to determine the number of classes in oil painting to be held at the Biglerville High School. In operation for three years, the art courses have attracted from 20 to 30 persons a year. Sometimes they divide into two classes, sometimes just one class is taught. The courses continue for about eight weeks, and the participants range from farmers' wives to men including the Rev. Dr. Henry W. Sternat, pastor of the Biglerville Lutheran Church.

Train Women Drivers
Just how well the upper counties take to art is disclosed annually at the South Mountain Fair, where it is evident that some are becoming superior artists. The classes are taught by Ernest Krape, Gettysburg R. D. artist.

While both men and women take part in the adult painting classes, women have predominated in the driver training education courses

for adults sponsored by the Upper Adams Joint School Board.

Donald Ernst, who teaches the youngsters to drive, also is in charge of the adult classes that generally begin the middle of October, close down during December, January and February and resume in the spring. Ernst, who has had all the students he could train during the two years of the course's existence so far, has yet to teach an adult male, according to school authorities. Most of those seeking instruction are wives who decide it is high time they learned how to handle the family car—properly.

The adults whose education continues the year around are the members of the Young Farmers Association, which continues the farm training received in the agriculture classes of the high school.

FARM CALENDAR

Fateful Days — Wednesday and Saturday are the two most dangerous days of the week for farmers, according to data assembled in the first farm and home accident survey, conducted as a project of the agricultural experiment station of the Pennsylvania State University. Most hazardous time of day was 2 to 4 p.m.

Littlestown Junior High Faces 5 Games

Five games have been arranged for the Littlestown Junior High School football team during the coming season.

Delone will be met at McSherrytown, Thursday, October 4, in the opening game.

Other contests on the schedule are as follows: October 10, Hanover, home; 16, Biglerville, home; 24, Northern Joint, home; 30, Hanover, away.

production in the fall of 1957. Harvey Shaffer, Penn State extension dairy specialist, says greater profits can be realized by freshening dairy cows in the fall. A good place to start is with breeding heifers about 15 months of age.

Field Day Scheduled — The second annual Pennsylvania Livestock Field Day will be held at the Pennsylvania State University Saturday, October 6. There will be a statewide junior livestock judging contest, and inspection of the various livestock research projects of the agricultural experiment station.

Check Wet Spots — If field crops drowned out in certain areas of your farm this year, some type of drainage or change in management is indicated, according to Henry Wooding, extension agricultural engineer of the Pennsylvania State University.

Roses Win Awards — Two spectacular roses, White Bouquet and Golden Showers, have won the coveted All-America Selections Award for 1957, reports A. O. Rasmussen, Penn State extension ornamental horticulturist.

Crops Must Live — Our program of grassland farming is based on long-living stands of high-producing legumes and grasses, reminds James Eakin, Penn State extension agronomist.

About 1,200 lives are lost in boating accidents a year, or a total of seven fatalities for each one million persons in the population.

APPLE BRUISING IS SUBJECT FOR FRUIT SURVEY

A crew of four was at work today to find out how Adams County apples are bruised, and what can be done to prevent excessive bruising.

Headed by Prof. Wayne Leer of the teacher-research staff of Pennsylvania State University, the crew includes three graduate students at Penn State, Boyd Weninger, of Utah; Gerald Pitman, of South Carolina and Ted Polesky, Pittsburgh.

The four are conducting a fact finding survey extending from the orchards to the peeling rooms in the factories and to the fresh fruit markets.

In the survey the Penn State unit hopes to find out where the fruit gets its bruises from the time it ripens on the tree until it reaches the processor or consumer.

Final Report In Year
The survey in the canneries hopes to reveal just how much time and apple is wasted in removing bruises, so that a figure can be obtained on the total financial loss caused by bruised apples.

Then the survey, back through the line to the tree, will, it is hoped, show how the bruises got there.

A second phase of the survey will determine how the bruises can be prevented, and also answer the question of whether the steps that can be taken to eliminate bruises will be less expensive than the loss resulting from the bruises.

The final report on the survey will be made in about a year after all of the factors in the problem are checked.

Susie B. Ketner's Will Filed Here

The will of Susie B. Ketner, who died May 14, 1956, in Benton, Pa., entered here for probate, bequeaths \$10,000 estate to her daughter, Dorothy Ketner Doehne; her son, Luther Warren Ketner, and the heirs of her late daughter, Ruth Ketner Sowers, Lowell and Suzanne Sowers. Luther Warren Ketner, Benton, as executor of the estate, has applied for testamentary letters.

Small bequests of personal goods were left to Elizabeth Ann and Carolyn Doehne, George Ketner, Martha Ketner, her grandchildren, and to her brother, Thaddeus Warren. The will was dated May 19, 1944.

16 HOMEMAKERS' AAUW CONFAB

(Continued from Page 1)
Mervin Weikert will be pianist and Mrs. Bruce Wetzel song leader.

Plans were outlined for a course in textile painting for leaders from each group to be held at the Adams Electric Cooperative building October 17 and 18 from 10 a.m. to 3 p.m. each day. The leaders will receive instruction in the painting and then will instruct their own groups at later meetings. Bonnie Dale Sansom, home furnishing specialist from Pennsylvania State University, will be in charge of the textile painting training program.

Preliminary plans were discussed for a fall tour by the homemakers to the Chambersburg area.

Organization of a junior division of the Harrisburg Rd. Club was announced.

Decide On Programs
With the addition of a number of new members to the original organization the Harrisburg Rd. Club this year will divide into two parts, one made up of the older members, who have been in the home economics group for some time, and a club made up of the "younger" homemakers. Names given the two organizations Tuesday were "Harrisburg Rd. Sr." and "Harrisburg Rd. Jr." clubs.

Each unit Tuesday decided on programs for the year. The programs and club's choosing those activities follow: Color in the home, Harrisburg Rd. Sr. and Jr., Butler Twp., Marsh Creek, Frogtown and Hunt Ave.; low cost meals, Harrisburg Rd. SAYS GERBER WILL STAY ON HOUSE PROBE

By LEWIS GULICK

WASHINGTON (AP)—Rep. James C. Davis (D-Ga.) said Tuesday it is a "safe assumption" that William Gerber will remain as counsel for a House subcommittee investigating District of Columbia school integration.

Davis, the subcommittee chairman, joined with other members of the predominantly Southern group in defending Gerber from a charge by Rep. Wier (D-Minn.) that Gerber had put on a "disgraceful performance" during the hearings.

Telegraphing his protest from Minneapolis, Wier told Chairman McMillan (D-SC) of the full District of Columbia Committee that "Gerber's sole object seems to be to prove that integration has not worked and to set teacher against teacher, parent against parent and pupil against pupil to prevent it from working in the future."

As the subcommittee prepared to question more witnesses, Gerber said Wier "is evidently running for office and has to have some political propaganda."

Wier asked that Gerber, of

Memphis, Tenn., be suspended pending a meeting of the full committee, to which Wier belongs. Subcommittee members said privately they doubted McMillan would call the committee for such a meeting. McMillan was not immediately available for comment.

Davis Tuesday clarified his statement that "no protesting radicals" are going to stop the hearings. His statement was issued after Adlai E. Stevenson, the Democratic presidential candidate, had wired the local chapter of the National Assn. for the Advancement of Colored People that the hearings seemed to him to be serving "no constructive purpose."

Hearings Go On

Davis said he did not mean in his statement that Stevenson himself was a "protesting radical." Davis said he continues to support Stevenson for president.

Meanwhile, the hearings were going on in comparative calm. Generally, the witnesses have been supervisors and teachers in the local school system. They have said the 1954 integration of Washington schools, in obedience to the Supreme Court order, has created many problems.

U.N. COUNCIL TO TACKLE CANAL QUESTION TODAY

By MAX HARRELSON

UNITED NATIONS, N.Y. (AP)—Britain and France squared off for a preliminary test of strength with Egypt today as the U.N. Security Council tackled the Suez Canal dispute for the first time.

The two West European powers said that at the meeting this afternoon of the 11-nation council they would fight vigorously against Egypt's move to charge Britain and France with actions threatening world peace.

The British-French stand was expected to trigger a sharp procedural debate over just what should be on the council's agenda and how it should approach the bitter dispute over Egyptian President Nasser's nationalization of the strategic East-West waterway.

Expect Indication

By the time the opening round is concluded, there should be some indication which way the council will lean when it comes to grips with the basic issues, probably a week from now.

British and French diplomats were busy putting into shape the proposal they plan to lay before the council after the preliminaries are cleared away. This will be submitted formally by British Foreign Secretary Selwyn Lloyd and

prison farm early on Monday while working in a barn detail, made their way 10 miles to the Shirey home over rural roads undetected although dressed in prison garb.

Shirey was serving a 9-18 month term for aggravated assault and battery and for driving while his license was suspended. He was sentenced last month. Burke was sentenced last January to 11-25 months on a morals charge.

Shirey's wife is the former Patricia Ann Feldenzler, Miss Reading Fair in 1951.

SALE OF ISLAND IS OVERRULED

WASHINGTON (AP)—President Eisenhower has overruled the General Services Administration plan to sell Ellis Island.

White House press secretary James C. Hagerty said Monday the President acted in the belief some way may be found to preserve the historic entry point through which some 15 million immigrants have passed.

The Immigration Service has not used the island in New York Harbor since Nov. 12, 1954. GSA had advertised for bids, to be opened Nov. 19, for sale to private interests. The land and buildings have been appraised at \$6,277,000.

Hagerty said if New York State or the city is willing to take over the island for preservation as a historical site, recommendations for its disposal probably will be made to the next Congress.

French Foreign Minister Christian Pineau, who are expected here early next week.

U.S. Secretary of State Dulles also is expected to join in the later debate but there was no indication from Moscow whether Soviet Foreign Minister Dmitri Shepilov would come to New York.

Exactly two months have passed since Nasser touched off a new wave of international tension by taking over complete control and operation of the 103-mile canal, between the Mediterranean and Red Seas. Before that the waterway had been operated by a private company, owned mostly by the British government and French investors.

The two Western powers finally called on the Security Council to intervene after weeks of unsuccessful efforts to get Nasser to agree to some kind of international control to guarantee free use of the waterway to all nations.

They claimed Nasser had acted improperly when he took unilateral action to nationalize the canal, whose international character they said was guaranteed by the Constantinople Convention of 1888.

FOUR-DAY WEEK TALK COMES UP IN CAMPAIGNS

By NORMAN WALKER

WASHINGTON (AP)—Campaign talk about eventual shorter hours for the American working man comes at a time when the topic is being actively debated in labor union circles.

Vice President Nixon said in Colorado last Saturday he foresaw in the not too distant future a four-day week for workers.

This prompted a query from Walter Reuther, president of the United Auto Workers and an AFL-CIO vice president, as to whether Nixon was ready to commit the Republican party to propose and support legislation at the next session of Congress for a 32-hour work week.

May Take Years

Nixon replied yesterday that "mere artificial legislation will not accomplish this task which is one that calls for the dedicated joint efforts of labor, management, government and research."

Many labor union leaders seem to feel as Nixon does—that a shorter work week will not be accomplished by a single act of Con-

gress, but through industry-by-industry collective bargaining over a period of years, perhaps followed by legislation.

This seemed to be the consensus of a meeting of AFL-CIO union research specialists only two weeks ago. George Meany, AFL-CIO president, recalled then that most labor laws have come only after their underlying principles have been established in labor contracts for large groups of workers.

40 Hours Not Inhuman

Meany's theory was that there's no point in reducing work hours just to provide more leisure. He said there's nothing inhuman about the present 40-hour work week.

He said the real problem is maintaining a sufficient number of consumers with enough money to buy an increasing amount of production. Blaming the depression of the 1930s on a shortage of purchasing power, Meany added that shortening work hours may be a way of turning out more consumers.

Most labor leaders feel, like Nixon, that shorter working hours are inevitable in view of the increasing productive capacity of industry.

Subject For Debate

However, there's much debate even on this. A Senate-House committee held lengthy hearings last year on the effects of automation, or introduction of automatic

HAVE A HEART!

YOU wouldn't think a tack could cause much trouble.

But just recently a lineman fouled his climber on a staple, and in falling encountered more than one hundred nails and tacks that tore his arm so badly it needed 18 stitches.

Ironically enough, such accidents are most frequent when linemen work in emergencies at night—sometimes heroically in foul weather—to restore service to the very folks that cause the mishaps. And each year the accident records pile

up . . . falls when the lineman's climbing irons "cut-out" . . . cuts and abrasions from rusty nails . . . serious shock where nail-ripped gauntlets failed to protect against high-tension wires.

People who post bills and signs on telephone, transit and power poles intend no harm. At worst they are merely thoughtless. But they add a very real and present danger to good men doing an already hazardous job. So try to understand and heed the lineman when he says, "Have a heart . . . please post no bills!"

PLEASE NOTE: The Pennsylvania General Assembly has passed an Act reading in part as follows: "Section 1. It is unlawful to drive a nail or tack or attach any metal or hard substance to or into any pole of a public utility pole line . . ."

EGYPT APPEALS ALSO TO U.N. ON SUEZ PROBLEM

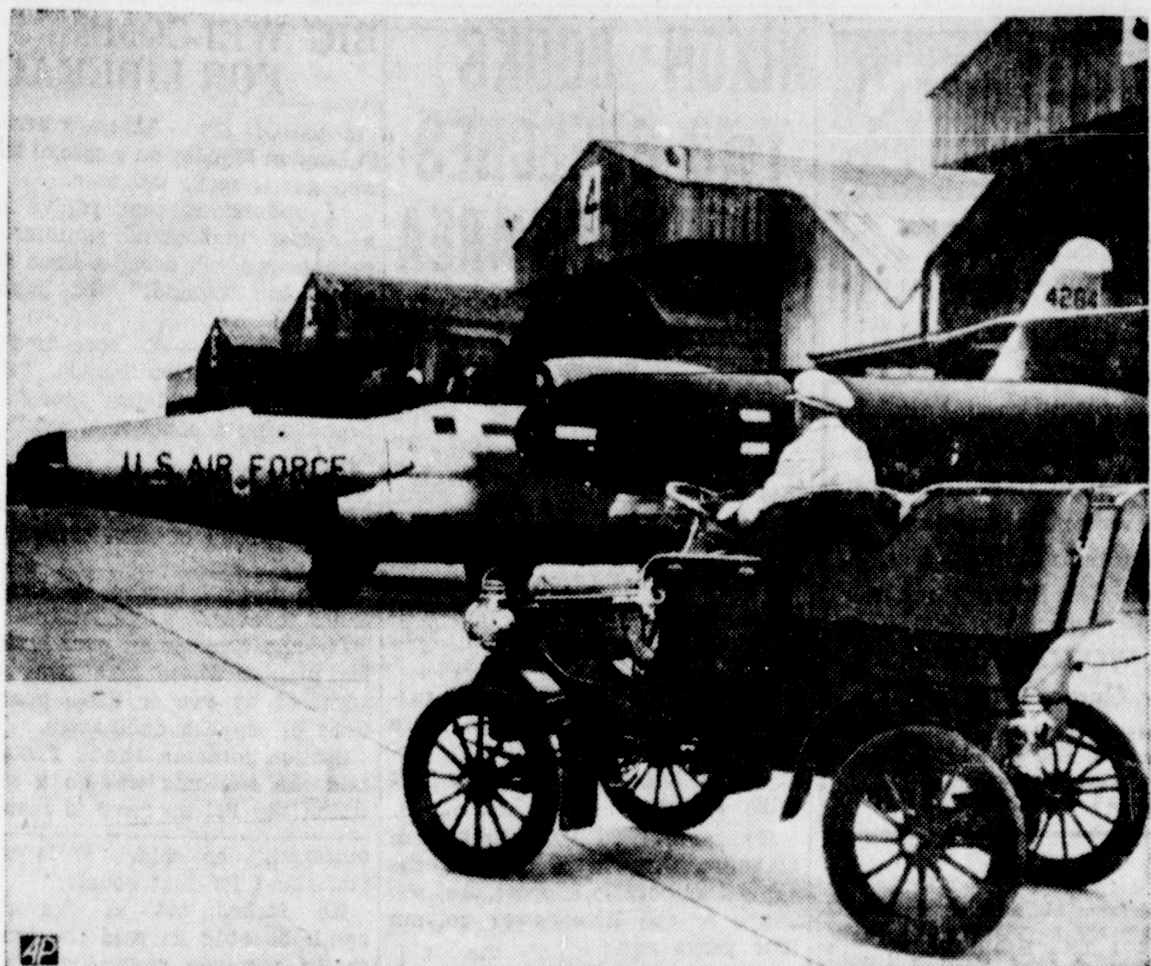

By WILLIAM N. OATIS
UNITED NATIONS, N.Y. (P)—Egypt has come up with its own call for U.N. Security Council intervention in the Suez Canal dispute. The Egyptian request will be taken up by the council tomorrow along with an earlier British-French demand for action.

Cairo's move came late yesterday, a day after Britain and France had asked the council to consider the situation created by Egypt's July 26 nationalization of the 103-mile waterway.

The 11-nation council's first task will be to decide whether to debate the complaints together or separately, and if separately, in what order. The council is not expected to get down to the issues in the canal dispute before next week.

Sent Letter To President
When the debate reaches the meat of the controversy, it is expected to bring the participation of British Foreign Secretary Selwyn Lloyd, French Foreign Minister Antoine Pinet, Egyptian Foreign Minister Mahmoud Fawzi and perhaps Secretary of State Dulles.

Egyptian Delegate Omar Loutfi presented Egypt's request for council consideration in a letter to Emilio Nunez-Portuondo of Cuba, council president for September. It asked that the council consider "action against Egypt by some powers, particularly France and

the United Kingdom, which constitute a danger to international peace and security and are serious violations of the charter of the United Nations."

Britain and France had asked that the council meet to consider the "situation created by the unilateral action of the Egyptian government in bringing to an end the system of international operation of the Suez Canal, which was confirmed and completed by the Suez Canal convention of 1888."

Wants OK On Plan
The convention guarantees freedom of the canal to all ships in peace and war.

A British Foreign Office spokesman said early this week that Britain wants the council to endorse the plan for a Suez Canal Users' Assn put forward at an 18-nation meeting last week in London. Most of the 18 nations—representing more than 90 per cent of the normal canal traffic—are expected to join the association at an organizing meeting set for Oct. 1 in London.

Egypt already has rejected an earlier proposal from the 18 nations for international control of the Suez, but there so far has been no official Egyptian reaction to the idea for a users' agency.

No Comment
Although not a council member, Egypt will take part in the debate as an interested party. There was no immediate comment from the Western Big Three on Egypt's call for council consideration. The Egyptian letter did not spell out specific charges against the British and French. But the Cairo government already has criticized their military build-ups in the Mediterranean that followed the nationalization of the old Suez Canal Co. and the economic measures London and Paris have taken against Egypt.

NAHA, Okinawa (P)—Generating winds of 125 to 150 miles an hour, Typhoon Harriet veered northward Tuesday and this U.S. island fortress battered down for a rough sideswiping blow.

COURT STUDIES SLAYER'S NEW TRIAL APPEAL

PITTSBURGH (P)—The State Supreme Court today held under advisement the new trial appeal of a convicted Green County slayer fighting to escape a life prison term.

In arguing for a new trial at the court's opening session here yesterday, Atty. A. J. Waychoff claimed prejudice on the part of the jury that convicted James M. Fletcher of Bobtown in the 1954 shotgun slaying of Gerald Tanner. Waychoff also contended the state, by failing to call as a witness the pathologist who performed the autopsy, had not established the corpus delicti or body of the crime.

Opposed Appeal
Dist. Atty. Glenn R. Toothman opposed the appeal. He argued that there was no basis for the claim the jury was prejudiced, and said many witnesses established the corpus delicti.

The commonwealth accused Fletcher of lying in wait for Tanner and killing him as Tanner approached his Monongahela Twp. home. According to the state, the shooting followed a fist fight between the two.

In another case, the Supreme Court was asked to set aside a Delaware County court ruling that Jacob J. Manning was entitled to a civil service hearing on his dismissal from the Milbourne police force.

Argue No Hearing
Atty. Alphonsus R. Romeika of Rosemont, representing Milbourne Borough, argued that Manning should not be granted the hearing because he was not appointed originally with civil service status. Atty. Howard Richard of Upper Darby, Manning's counsel, said he attained civil service status when hired.

Manning was appointed police chief of Milbourne in 1951. Three years later council eliminated the

ISRAELI CALLS CHIEF OF STAFF

JERUSALEM (P)—The Israeli cabinet called in its army chief of staff Tuesday to discuss the tense border situation. The Israelis blamed their Arab neighbors for another death, bringing the total to six in the past two days.

Premier David Ben-Gurion and his cabinet met in emergency session with the army chief, Maj. Gen. Moshe Dayan.

Baruch Shochetman, 60, author and librarian of the Hebrew University and national library, died in Jerusalem of wounds received in the attack from Jordan Sunday on a large archeological party visiting ruins near the Israeli-Jordan border.

Jordan blamed the attack on a berserk soldier but Israel said five or six soldiers were seen to shoot at the party. Three other persons were killed and 18 wounded in the shooting.

An Israeli man and woman were killed in separate incidents on Monday near the Jordan frontier. An army spokesman said an Israeli soldier was wounded last night when an Egyptian post fired across the Sinai border at a patrol.

ALGIERS (P)—French troops Tuesday claimed 50 nationalist rebels were killed, wounded or captured in the past 24 hours.

The rebels continued their new spurt of attacks in the capital killing two French soldiers on patrol during the overnight curfew. Yesterday rebels killed two persons and wounded six others, mostly civilians, in an apparently coordinated series of strikes in the city.

Only eight of the first edition of "The Journal of Major George Washington," are in existence. It was printed in Williamsburg, Va., in 1754.

office and Manning became a patrolman. He was dismissed from the force Dec. 6, 1954, after a fellow officer charged Manning left him alone with a dangerous prisoner.

ADLAI CARRIES HIS CAMPAIGN TO DEEP SOUTH

By MARVIN L. ARROWSMITH
LITTLE ROCK, Ark. (P)—Adlai E. Stevenson carried his presidential campaign into the South Tuesday, and at his first stop, reaffirmed his belief the Supreme Court was "right" in ruling against segregation in the nation's public schools.

But the Democratic nominee also said he stands squarely on the party platform statement that "we reject all proposals for the use of force to interfere with the orderly determination of these matters by the courts."

In an address prepared for delivery in MacArthur Park, Stevenson thus expressed in substance the same views he set forth last month a few days before he won his party's presidential nomination. He said Tuesday:

Reaffirms Stand
"The Supreme Court of the United States has determined unanimously that the Constitution does not permit segregation in the schools. As you know, for I have made my position clear on this from the start, I believe that decision to be right."

"Some of you feel strongly too the contrary."

"But what is most important is that we agree that once the Su-

preme Court has decided this constitutional question, we accept that decision as law-abiding citizens."

Our Common Goal
"Our common goal is the orderly accomplishment of the result decreed by the court. I said long ago, and I stand now squarely on the plain statement, adopted in the Democratic platform, 'that we reject all proposals for the use of force to interfere with the orderly determination of these matters by the courts.'"

Stevenson set forth his position anew against the background of violence which has occurred in some sections of the South, where efforts have been made to integrate white and Negro school children.

The Democratic candidate noted that the Supreme Court's ruling "provides for the ways and means of putting into effect the principle it sets forth." And he expressed confidence "that this decision will be carried out in the manner prescribed by the courts."

Jabs At Ike
Stevenson jabbed at President Eisenhower in declaring that he (Stevenson) has "repeatedly expressed the belief that the office of the presidency should be used to bring together those of opposing views in this matter—to the end of creating a climate for peaceful acceptance of this decision."

Eisenhower, while deploring the violence which has occurred in the South, has taken the position that the federal government should not intervene in any way unless it

POLISH FLIER CRASHLANDS TO ESCAPE REDS

ROENNE, Denmark (P)—A man identifying himself as a Polish air force lieutenant crashlanded a jet fighter plane on an uncompleted airstrip here Tuesday and asked for political asylum.

Air force officers on this Danish island of Bornholm in the Baltic said his plane was a revised version of the Russian MIG15 featuring a much taller rudder than any seen on a MIG fighter known outside the Iron Curtain. They withheld comment on its probable performance.

A big canvas was thrown over
should become clear that the states and local communities are unable to deal with the situation.

First Deep South Trip
Arkansas is the first Deep South State Stevenson has visited since the formal opening of his campaign, and he elected to discuss the hotly controversial school integration matter immediately upon his arrival.

He flew here from Oklahoma City, here on Monday he challenged President Eisenhower to say whether he has kept his 1952 farm program pledges. He called on the President to reply in a nationwide television campaign address Tuesday from Peoria, Ill.

the plane and army and air force troops guarded the area. The pilot was taken into custody for questioning.

Wing Tips Damaged
One of the plane's wing tips was damaged slightly in the landing. Before police arrived, the pilot displayed a map of the small military airport 60 miles north of the Polish coast. He expressed surprise that the runway construction had not been completed and mildly scolded airport workers for not moving planes parked on the strip while he circled the field.

The map appeared to be an official print issued to members of the Polish air force in the Baltic region. It showed new runways which have been planned but not yet built.

Spoke Fluent German
The pilot apparently failed to get his landing wheels down but escaped unhurt. He spoke fluent German.

Bornholm was the landing site picked by two Polish fliers who fled the Iron Curtain in 1953 in Russian MIG15s. Last July four young Polish air cadets landed in Austria after flying two stolen planes more than 400 miles from behind the Iron Curtain.

Police in Copenhagen disclosed Tuesday that a Russian radio operator swam to freedom through the choppy waters of the Kattegat last Saturday night. They said the 28-year-old Russian jumped his ship, an unidentified Soviet trawler, and asked for political asylum.

ANNOUNCEMENTS

Card of Thanks
MILLER: We wish to express our sincere thanks and gratitude to the many friends and relatives who sent cards and gifts and came to pay tribute to Mrs. Alice Miller of Aspers on the occasion of her 100th birthday!

THE FAMILY

LITTLE: We wish to express sincere thanks to relatives, friends and neighbors for all kindnesses shown us following the death of our beloved son and brother, Denton Earl Little; also for expressions of sympathy, spiritual solace, use of cars and services of the pallbearers.

MR. & MRS. GUY LITTLE & CHILDREN
BLACK: I wish to thank all my friends and neighbors for prayers, cards and letters; also for the beautiful flowers I received while in the West Side Osteopathic Hospital, York.

MRS. CARL BLACK
